INTRODUCTION AND AIM

**XIX SIMPÓSIO
DE ONCOBIOLOGIA**
FRONTEIRAS DA INOVAÇÃO

- All sections may be edited by the authors, such as the size of the font, the section distribution and the color scheme.

METHODOLOGY

- Titles should be in upper and lower case, or all capitals.
- If necessary, use bold characters to emphasize your text.
- Avoid overcrowd your slide.
- Spell check and get someone else to proof-read it.

RESULTS

- Images such as photographs, graphs, diagrams, logos, etc, can be added.
- Avoid long tables. They will be difficult to read.
- Be aware of the image size you are importing.
- Graphs created in different programs (e.g.. Prism) should be saved as image (.jpeg or .tiff).
